

Hi,

I am sending this to you because I lived in a little trailer on your property as a very young boy. Your neighbor Bruce Jacobs (BK Goswami, the satanic Hare Krishna guru) put me there and paid your grandfather to give me classes and baby sit me.

To put this notice in context, it is a memorial for Krishna Kanti Cring. He is the second child born to the woman who was married to Bruce Jacobs (your neighbor cult leader) and was raped and robbed of his life by the satanic hare Krishna cult directly through the choices of your neighbor and his followers and their satanic practices.

Bruce Jacobs stole my inheritance twice. He destroyed the 3 children and of his first wife, sold the girl to a Hare Krishna cult member, and robbed and raped the boys. He took the money and purchased his property and additional property in central NC, that this notice refers to. He also used the money to expand his satanic temple complex across the street from your house.

Sincerely,  
Krishna Jacobs
