

## FROM YOUR **HARE KRISHNA** NEIGHBORS

*Behind the scenes of temples for dressed-up dolls, costumes, and vegetarianism is a cult child prostitution, rape and inheritance robbery, murder, human trafficking, and slavery.*

**ISKCON Inc., the Hare Krishna cult**, built a school system to manufacture homeless beggars, a traditional system in child-slavery, prostitution and begging-based Indian cults. Children, toddlers, were tortured in a boot camp-like system of physical pain and self-hate. Children are dressed in costumes and prostituted to cult members in daily 5am shows and events. Paying cult members and wealthy socialites take possession of children, mostly girls. Boys not selected by their own parents are raped of everything in their lives, robbed of their homes and inheritances, discarded, shunned, given only the option of cult slavery. First being tortured and taught cult methods of suicide, some murdered by converts or trespassed and driven to orphan lives, they are robbed of their childhood homes, shunned to silence and killed by their parents and cult members; I witnessed.

Krishna Kanti's guru father, like all Krishna gurus, is a psychopath and sociopath. Before he became a guru, he prostituted the children of his wife to Hare Krishna cult members and rich Indians, and did the same with Kanti. His sister was sold at 13 years old, and his brother was isolated from his family, put in a hole in the ground, infested with parasites and left to die for Hare Krishna's satanic belief in human sacrifice. He survived, but he was removed and isolated from all his family, robbed of his home and humanity, and left for dead.

We had a \*\*\*lawsuit filed by Windle Turley. The lawsuit began in the late 1990's in Dallas. The cult directors fought tooth and nail to deny victims compensation. Homeless victims never received enough to house them, some too destroyed to have a phone or address, and too shunned to have a personal advocate. Kanti's father, like all the gurus of ISKCON, is an entertainer of Indian fantasy fiction, shiny temples, costumed dolls, dancing girls, child prostitution and victim subduction. They profit from human trafficking, slavery, child slave-education schools, child prostitution, and inheritance and estate theft. The gurus rob and kill their own children and the families of converts, and enforce the silencing and murder of victims. They defend the organisation without sympathy. I know. The victims know. The uncompensated, the survivors know. ISKCON Inc. and the Hare Krishna's are a satanic cult of child prostitution, murder and crime as preached by their \*\*\*founder and practiced to this day. The symbols of the Krishna deity are the symbols of infant and child sexual prostitution. The ISKCON Hare Krishna cult has a shiny clean facade and show to entertain people. In fact it is a cult of a system for crimes against children, slavery, human trafficking, murder & theft for the pleasures of perverts and guru criminals growing their wealth and robbing their relatives.
