

*In memory of KRISHNA KANTI CRING - JACOBS
born to a Hare Krishna guru at ISKCON'S Palace of Gold
MAY HE REST IN PEACE*

Behind the scenes of temples for dressed-up dolls, costumes, and vegetarianism is a cult of child prostitution, rape, victim murder, human trafficking, and slavery.

ISKCON Inc., the Hare Krishna cult, built a school system to manufacture homeless beggars (a tradition in child-slavery, prostitution and begging-based Indian cults.) Children, toddlers, were tortured in a boot camp-like system of physical pain and self-hate. Children are dressed in costumes and prostituted to cult members in daily 5am shows and events. Paying cult members and wealthy socialites take possession of children, mostly girls. Boys not selected by their own parents are raped of everything in their lives, robbed of their homes and inheritances, discarded, shunned, given only the option of cult slavery. First being tortured and taught cult methods of suicide, some murdered by converts or trespassed and driven to orphan lives, they are forced to abandon everything they know for homelessness and death; I witnessed.

My father, Hare Krishna's guru, suffered brain and ocular damage from early CRT televisions. He developed schizoaffective disorder and accompanying psychopathy, and social disorders. As a young adult he was tricked into the *cult. My father prostituted the previous children of his wife to property owning Hare Krishna cult members and rich Indians, and did the same with me.

We had an international ***lawsuit headed by Windle Turley that began in the late 1990's. It took decades to conclude. The cult directors, my guru father, fought tooth and nail to deny victims compensation. Homeless victims never received enough to house them. Rejected victims, who I knew, never had a chance to add their names to the lawsuit; I witnessed. My guru father is a psychopath. He is a person of import in the Hare Krishna cult, as an entertainer of Indian fantasy fiction, shiny temples, costumed dolls, dancing girls, child prostitution and victim subduction. He profited from human trafficking, and slavery, established child slave-education schools and put me there. He preaches the silencing, robbery and murder of victims in the name of the cult's founders, dolls and Indian fantasies. He profits from child prostitution and human trafficking. He defends the organisation without sympathy. I know. The victims know. The uncompensated, the survivors know. ISKCON Inc. and the Hare Krishna's are a satanic cult of child prostitution, murder and crime as preached by their ***founder and practiced to this day. The symbols of the Krishna deity are the symbols of infant and child sexual prostitution. The ISKCON Hare Krishna cult has a shiny clean facade and show to entertain people. In fact it is a cult of a system for crimes against children, slavery, human trafficking, murder & theft for the pleasures of perverts and guru criminals growing their wealth and robbing their relatives.
