Behind the temples for dressed-up shiny dolls, costumes, and vegetarianism is a cult of child prostitution, torture and child exploitation, rape, estate and inheritance theft, murder, human trafficking, and slavery.

ISKCON Inc., the Hare Krishna cult, built a school system to manufacture homeless beggars, a traditional system in child-slavery, prostitution and begging-based Indian cults. Children, toddlers, were tortured in a boot camp-like system of physical pain and self-hate. Children are dressed in costumes and prostituted to cult members in daily 5am shows and events. Paying cult members exchange with the gurus for sex with the girls. Boys not selected by their own parents are raped of everything, robbed of their homes and family relationships, money and property, discarded, shunned, alienated, given only the option of cult slavery. Boys are tortured and taught satanic Hare Krishna cult methods of suicide, some murdered by converts or trespassed and sent to wonder, robbed by Krishna gurus of their home and property, family connections and money, they are silenced by their parents and cult members and left to die.° **Krishna Kanti's guru father**, an ISKCON Inc. Hare Krishna guru, is a psychopath and sociopath. He prostituted the children of his wife in the ISKCON Krishna cult, and did the same with Kanti. His sister was sold at 13 years old, and his brother was taken from his family, used for temple promotion then put in a hole in the woods, infested with parasites and left to die. Hare Krishna is a cult of satanic beliefs in sacrificial suffering and suicidal death. The boys were taught cult methods of suicide, physically tortured, deceived about every detail of life, kidnapped from family - their relatives deceived, robbed of homes and humanity and left homeless - for dead. The guru got the **money**, he hid it and purchased properties for his pleasures.° **We had a ***lawsuit** filed by Windle Turley, in Dallas Texas. The Hare Krishna corporation fought **tooth and nail** to deny victims compensation. Homeless victims never received enough to house them; tortured, raped and robbed to fulfil satanic Krishna fantasies of wandering starving ascetics. Children are **taught to endure torture, isolation, and abandonment, to torture themselves, to blame themselves, disappear, and seek suicidal death.**° **Kanti's father**, the Hare Krishna guru, is an entertainer of Indian fantasy fiction, shiny temples, costumed dolls, dancing girls, child prostitution and victim subduction. Gurus and cult leaders profit from human trafficking, slavery, child slave-education schools, sale of girls, and inheritance and estate theft from their parents and children and families of converts. It's a system. I know. The victims know. The uncompensated, the survivors know. ISKCON Inc. and the Hare Krishna's are a satanic cult of child prostitution, murder and crime as preached by their ***founder and practiced to this day. **The symbols of the Krishna deity are the symbols of infant and child sexual prostitution.** The Hare Krishna cult has a shiny facade, costumes and novelty show to entertain. In fact it is a cult of a system for crimes against children, slavery, human trafficking, murder & theft to pleasure perverts and gurus, for sex, for **money** and property; the Hare Krishna criminal strategy.
