

REMEMBER

KRISHNA KANTI CRING

BORN KRISHNA KANTI JACOBS

Born in Wheeling, WV to a guru and an owner of ISKCON Inc. the Palace of Gold - your neighborhood Hare Krishna cult. Kanti was robbed of everything: home, family, money, friends, education and he was silenced in sacrifice to the Hindu deity of the Krishna. Kanti's satanic guru father and servants of the Krishna demon tortured, raped and ruined the boys under their power, taught them to seek a fantasy afterlife of slavery and humility and sex with the blue-black male Krishna demon. They were taught to blame themselves for the tortures and hell, isolation and theft of their homes, money, family, education and lives for the profit of the cult owners, trafficked immigrants, and Indians. They were taught cult methods of suicide to achieve the insane Krishna afterlife. Victims of the cult where conned into signing away their right to talk to the press or join a lawsuit. Many intelligent boys didn't even understand the concept of a lawsuit. Krishna Kanti Cring was then chased away, driven to his death by the devil worshiping Krishna cult owners, brainwashed slaves, mentally ill converts, and trafficked foreign beneficiaries.

MAY KRISHNA KANTI CRING BE REMEMBERED FOREVER.

HE WAS A GOOD AND VALUABLE PERSON, ROBBED OF HIS LIFE BY DEVIL WORSHIPING CRIMINALS.

MAY THE SATANIC HARE KRISHNA CULT BE ELIMINATED.
