KRISHNA KANTI CRING

BORN: KRISHNA KANTI JACOBS; 1978-2018, MAY HE REST IN PEACE

HE WAS A GOOD AND VALUABLE PERSON, ROBBED OF HIS LIFE BY DEVIL WORSHIPPING CRIMINALS OF ISKCON INC., AND THE HARE KRISHNA CULTS.

The Bhagavad Gita: the Hare Krishna satanic text of the blue-black Krishna demon's biggest-baddest-killer-nigger argument for cult members to rob and murder their family members in service to the cult leaders and the supernatural blue-black male character, with promises of rewards of wealth and fame. - Hare Krishna programs boys from infancy in cult school with methods of suicide and self sacrifice, to tolerate the loss of everything, torture, rape and death for the murderous cult gurus. Krishna Kanti was taught to be thankful for dispossession, torture and death, to feed the guru Bir Krishna with money and fame. Boys were directed to live and die for shiny dolls and Hindu Indians, for sexual submission and service to the blue-black Krishna demon, and for an insane fantasy afterlife of submissive sex with the blue-black male idol and an eternity of sadomasochistic subhuman humility. - The order of the cult to rob and kill relatives and torture themselves and die for the demon Krishna is very clear. The Bhagavad Gita preaches the murder of male family, cousins, brothers, male children, and parents. Krishna Kanti Cring was tortured and murdered by Hare Krishna cult leaders, his own parents, for the worship of their blue-black Krishna demon, for the fame and wealth of ISKCON Inc. gurus, the cult owners, Prabhupada, and robbed of his family money and his life by ISKCON's Bir Krishna Swami-Goswami to build **the satanic Krishna temple at 197 S. Ocean Ave.**

MAY THE SATANIC HARE KRISHNA CULT BE ELIMINATED.

MAY KRISHNA KANTI CRING BE REMEMBERED FOREVER.
